

Gippsland Environment Group
Grevillea celata and Glossy Black-Cockatoo habitat survey
Date of survey 28-11-2025 - waypoints 862-883
 Date of report 08-12-2025

On and south of Lyles Bk in **Nowa Nowa Lyles Brk planned burn GP-TBO-NOW-0368**
<https://plannedburns.ffm.vic.gov.au/burn-site/3009968>

Below: Map of survey area. This document contains photographic evidence, GPS coordinates and field observations of **waypoints 862-883**

| Waypoint | GPS Garmin 64 Zone 55 H | Date of survey: 28-11-2025 Description |
|----------|---------------------------------|--|
| 862 | 593182.13 m E 5828337.81 m S | Orts in she-oak grove damaged by roadside tree works |
| 863 | 593175.75 m E 5828257.10 m S | Orts |
| 864 | 593174.23 m E 5828255.12 m S | Orts |
| 865 | 593178.24 m E 5828243.76 m S | Orts |
| 866 | 593184.11 m E 5828240.47 m S | Orts |

| | | |
|-----|---------------------------------|---|
| | | |
| 867 | 593165.52 m E 5828233.58 m S | Orts |
| 868 | 593169.98 m E 5828230.76 m S | Orts |
| 869 | 593170.66 m E 5828244.06 m S | Orts |
| 870 | 593207.79 m E 5828337.63 m S | Trees felled into she-oaks adjacent Glossy black cockatoo feed trees |
| 871 | 593218.01 m E 5828329.53 m S | Felled she-oak and trees felled into she-oaks adjacent Glossy black cockatoo feed trees |
| 872 | 593228.94 m E 5828329.18 m S | Orts |
| 873 | 593229.38 m E 5828360.47 m S | Orts |
| 874 | 593258.54 m E 5828358.03 m S | Trees and she-oaks felled into she-oak grove adjacent Glossy black cockatoo feed trees |
| 875 | 593270.72 m E 5828374.10 m S | Tree felled into she-oaks adjacent Glossy black cockatoo feed trees |
| 876 | 593316.23 m E 5828390.56 m S | Roadside bulldozer works into Grevillea celata plants |
| 877 | 593318.04 m E 5828386.32 m S | Dead Grevillea celata plant from roadside works - marked with pink tape. In the bulldozer scraped area - two Grevillea celata plants appears to have been removed |
| 878 | 593376.48 m E 5828400.31 m S | Trees felled into she-oaks |
| 879 | 593396.04 m E 5828414.40 m S | Trees felled into she-oaks |
| 880 | 593468.05 m E 5828449.76 m S | Tree felled into Grevillea celata |
| 881 | 593400.75 m E 5828402.03 m S | Orts |
| 882 | 593406.71 m E 5828398.64 m S | Orts |
| 883 | 593769.50 m E 5828623.56 m S | 2 trees felled into 3 or more Grevillea celata plants |
